

New Mill Student Accommodation was completed in September 2017. This 15,093 m<sup>2</sup> development is a mixed-use student living accommodation with 410 rooms in the heart of Dublin's Liberties. It also features shops, a cafe and commercial space for local businesses.

This project is a part of a long-term regeneration of the area delivering an extensive new public realm and landscaping to Mill Street and Warrenmount Lane.

Season Master Double Glazing installed our TB50 facade system, ST80 high-performance windows with integrated louvre panels and out ST80 rebated doors.
