

APA Facade Systems supplied our TB50 aluminium facade system to phase one and two of the Rushden Lakes Shopping Centre, Northamptonshire's premier shopping and leisure destination.

Phase one consisted of 380,000 sq. ft of retail space, waterfront restaurants, a boathouse and visitor centre. Following the successful delivery of Phase 1 of Rushden Lakes, APA Facade Systems also completed works on the second phase of the project featuring a 14-screen multiplex Cineworld cinema, a host of additional high-quality restaurants, a further range of exciting leisure activities and an additional 40,000 sq. ft of retail space.

The Rushden Lakes shopping district is one of the UK's largest out-of-town schemes.
