

The Garda Regional and Divisional Headquarters in Galway is a vital part of the City infrastructure. It provides the Garda Síochána with a centre of excellence and Galway City with a contemporary civic building that acknowledges its pivotal corner site on a major entry point into Galway City.

The project consists of a complex of buildings with a combined area of approximately 11,000 sq.m. Designed by the Office of Public Works, the scheme incorporates sustainable green design principles including green roofs and solar panels and has an energy rating of A.

APA PA Facade Systems TB50 SG curtain wall and ST70 window and door systems were installed on this project by Season Master Double Glazing.
