

The IDA Advanced Technology Building, a 3,150m² of Grade A office accommodation and open production space was designed by Fewer Harrington & Partners. It consists of the development of an advanced office unit for IDA Ireland in Parkmore Business & Technology Park. The unit is designed to LEED accredited standard and to be constructed to a high specification. There is a large emphasis on creating a modern, secure environment.

APA Facade Systems worked on the IDA Advanced Technology Building with Seasonmaster Double Glazing Ltd. Our TB50 SG Facade System, TB SG CFV (Concealed Frame Vents) & ST80 Door Systems were installed on this JJ Rhatigan development
