

Hotel La Tour is a brand new, luxurious, 14-storey hotel in the heart of Milton Keynes.

This £39 million hotel oozes class from the second you set eyes on it. Designed by pH Architects, Hotel La Tour features an external mirror style cladding with a 30m high, LED-lit stainless steel 'sun' design circle on the east facing elevation.

Sustainability was established as a key aspect of this build. Our thermally enhanced ST70 Hi windows and TB50 curtain wall system were expertly installed by Speedclad Ltd, helping to achieve a "Very Good" BREEAM rating.

Each one of the 261 luxury bedrooms and suites features our window systems, boasting amazing views over Milton Keynes Central and Campbell Park.
