

Áras Chill Dara is the administrative headquarters of Kildare County Council.

This 11,400m² development is a multiple award winning building having taken home the Royal Institute of Architects Ireland Best Public Building award, the Royal Institute of British Architects European Award and the Sustainable Energy Ireland award.

Áras Chill Dara consists of two 100 metre long buildings with every elevation featuring our TB35 HI facade system, including the glazed link corridor.

It is one of the most outstanding architectural designs we have had the privilege of working on.
