

Care Choice Nursing Home in Swords was completed in early 2020 and it displays APA's TB50 Facade System and ST60 window and door systems.

This state of the art €20 million project is the newest addition in the Care Choice Nursing Home Group and consists of a five-storey building with 161 beds.

McMullan O'Donnell expertly installed our fenestration systems to this project in Bridge Street, Swords,

Reddy Architecture + Urbanism were the architects.
