

Fairways Hotel in Dundalk re-opened its doors in October 2019 having been closed since January 2015.

Our TB50 facade and ST60 door systems were expertly installed by Ellipsis on the hotel entrance and suites above with a dramatic curved four storey tower providing a distinctive focal point to the complex.

The new hotel includes 113 spacious bedrooms, excellent extensive conference and banqueting facilities with four large meeting rooms, a newly redesigned reception, bar and restaurant area.

Fairways Hotel is belonging to the iNUA collection of hotels which includes the Muckcross Park Hotel, the Tullamore Court Hotel, The Hillgrove Hotel and Radisson Blu Hotels in Athlone, Cork, Limerick and Sligo.
