

Scoil Mhuire National School in Monivea, Co Galway features APA Facade Systems ST70 Hi Windows and doors, installed by Windows & Roof Lights.

Our ST70 Hi windows featured dual coloured sashes and frames on parts of this project. A fantastic idea to bring colour to the school building by SJK Architects.

Scoil Mhuire beat off stiff competition to come third in the 2020 RIAI Irish Architecture Awards Public Choice category. With 129 entries, 33 buildings made the 2020 shortlist.

Other educational buildings shortlisted included, two universities in France; a privately funded development in a wealthy Dublin suburb and business faculty in Trinity College Dublin.
