

Silver Stream Care Centre Dundalk is one of three new nursing homes being opened by the Silver Stream Healthcare group. The others are located in Duleek, Co Meath and Riverstick, Co Cork. This will take the total number of nursing homes by Silver Stream to eleven.

Dundalk Care Centre is located at Greenpark, beside the Dundalk Institute of Technology campus and Crowne Plaza hotel. It has 130 single en suite bedrooms spanning 6,000sqm across two floors.

Ellipsis Aluminium installed our thermally enhanced ST70 Hi windows with top hung opening sashes alongside our ST70 Hi doors on every elevation of this care centre.

Our high performance windows are fabricated with insulating foam cores ensuring all residents are kept warm and comfortable.
